

Dear Healthcare Professional,

I hope this email finds you well. I would like to personally invite you to attend a virtual PEARLS Journal Club Program, details of which can be found below. A copy of the article will be provided upon your RSVP.

EMD Serono, Inc., cordially invites you to participate in a virtual journal club discussion with your colleagues

Association of Early Progression Independent of Relapse Activity With Long-term Disability After a First Demyelinating Event in Multiple Sclerosis

To be presented by:

Benjamin Greenberg, MD, MHS
University of Texas Southwestern Medical School, Dallas, TX

Virtually on:

**Tuesday, June 13, 2023
7 PM EST (6 PM CST, 5 PM MST, 4 PM PST)**

Please RVSP to: [EMD Serono U.S. Medical Information](https://medical.emdserono.com/en_US/request-information.html)

Kind Regards,

U.S. Medical Information

EMD Serono is the Healthcare business of Merck KGaA, Darmstadt, Germany in the U.S. and Canada. ©2022 Merck KGaA, Darmstadt, Germany or its affiliates. All rights reserved.

If any EMD Serono product is discussed in the journal article, program attendees/invitees must be in a specialty that prescribes the relevant EMD Serono product for its intended use. This program and this speaker are being sponsored by EMD Serono, Inc. This program is not accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for healthcare professionals. The speaker will be presenting information that is consistent with FDA guidelines. If you RSVP to attend the event and receive the article, please know that the Federal Sunshine Act requires that EMD Serono track and report the value of the journal reprint provided to healthcare professionals.
